CHAPTER VII-A

(Part B)

PART B :— THE INDIAN SOLDIERS LITIGATION ACT, 1925.

1. An Indian soldier is definest in the Indian Soldiers Litigation Act, 1925, as a person subject to the Army Act, 1950 or the Air Force Act, 1950. Section 3 defines the circumstances in which an Indian Soldier shall be deemed to be serving "under special conditions". According to Section 6, when a court (Civil or Revenue), has reasons to believe that a party to a suit before it is an Indian soldier who is not duly represented and is unable to appear, it must give notice thereof to the prescribed authority' in the 'prescribed manner' and suspend proceedings in the meantime. If the 'prescribed authority certifies that the soldier is serving under "special conditions" the case must be postponed. Section 10 confers power on the court to set aside decrees and orders passed against an Indian soldier serving under "war" or special conditions in certain circumstances. Section 11 permits the period spent in such service to be deducted from the normal period of limitation, except in the case of preemption suits. For the purposes of section 10 and section 11 the court may refer the question as to whether a soldier has been serving under special or war conditions to the prescribed authority, and certificate granted by that authority is conclusive on the point.

2. The rules framed by the Central Govenement under section 13 of the Indian Soldiers (Litigation) Act, 1925, are given in the following notification :—

INDIAN SOLDIERS (LITIGATION) RULES, 1938

Published vide Notification Gazette of India, 1938, Part 1, page 968.

Government after consulting the High Courts concerned, is pleased to make the following rules, namely :—

1. (1) These rules may be called the Indian Soldiers (Litigation) Rules, 1938.

2. Definitions—(1) In these rules, 'the Act' means the Indian Soldiers (Litigation) Act, 1925 (IV of 1925).

   (2) All words used herein and defined in the Act shall be deemed to have the meanings respectively attributed to them by the Act.

3. The prescribed authority for the purposes of sub clause (iv) of clause (b) of section 3 and section 6, 7 and 8 of the Act shall be the Offiicer Commanding the unit or the Depot of the unit to which the soldier belongs.

4. The certificate given by a Collector under section 5 of the Act shall be in Form A of the Schedule.

5. (1) The notice given by the court under section 6 of the Act shall be in Form B of the Schedule and shall be sent to the prescribed authority care of the General Officer Commanding in Chief of the Command in which the court is situated, and the certificate of the prescribed authority under section 7 of the Act, shall be in Form C of the Schedule.

6. If at any time it appears to the prescribed authority that the circumstances in which he certified to the court under section 7 of the Act that a postponement of the proceedings was necessary in the interests of justice, no longer exist, he shall forthwith certify to the court to that effect in Form D of the Schedule.

7. On receipt of a certificate from the prescribed authority under section 7 of the Act that a postponement of the proceedings is necessary in the interests of Justice the court shall postpone the proceedings until the receipt of a certificate in Form D from the prescribed authority or until the soldier is represented in the proceedings by some person duly authorized to appear, plead or act in his behalf.

8. The prescribed authority for the purposes of section 12 of the Act shall be the General Officer Commanding-in-Chief of the Command in which the Court is situated.

CHAPTER VII-A

(PART C)

PART C.—PROCEEDINGS WITH RESPECT TO SUCCESSION CERTIFICATES.

As some doubt and difference of opinion existed in connection with the application of sections 5 and 6 of the Indian Soldiers' Litigation Act, 1925, to cases for the grant of succession certificates under the Indian Succession Act, 1925 (No. XXXIX of 1925), the following instructions have been issued for the guidance of subordinate courts.

(1) A "party to any proceeding" is a person actually impleaded e.g., a plaintiff or defendant or an appellant or respondent and the phrase does not include persons named under section 372, sub section (1), clause (c) of the Indian succession Act, 1925, in an application for the grant of a certificate until the court has, by order under section 373 (1) (a) of that Act, expressed the opinion that special notice of the application should be given to them.

(2) When the court finds that a person falling under clause (c) of section 372 (1) aforesaid, is an Indian soldier serving under special or war conditions, and there is no special and obvious reason for suspecting the good faith of the members of the family actually applying for the certificate, the court should declare that, in the circumstances, it is unnecessary to make the soldier a party to the proceeding or to issue notice to him; but in such cases the court should always demand security under section 375 of the Act. If, on the other hand, there is any good reason to suspect the good faith of the applicant, then he should be required to get a power of attorney from the absent soldier or some written assurance from him that he does not object to the application.

By order.
